

## Skaneateles Central Municipal Long-Term Parking Lot 2016 PARKING PASS APPLICATION

A parking pass entitles the user to a parking space on an as-available basis in the “long-term” section of the Village’s Central Municipal Parking Lot at the **NORTH** end of the lot – north of the State Street Entrance. The pass is not valid for on-street metered parking or in the “short-term” portion of the Municipal Lot. Parking spaces in the “short-term” section of the lot are south of the State Street Entrance and Town Hall. Parking passes are not vehicle specific and may be shared among users, one at a time. Parking passes are not refundable. A user may leave the “long-term” area of the Central Municipal Parking Lot and return, but we can’t guarantee that a parking space will still be available. The Village will limit the total number of monthly passes issued to 100. Notify the Village Office if your parking pass is lost and we will re-issue one (\$10 fee) and invalidate the original pass number.

Mail or bring your completed application to the Village Office, 26 Fennell Street, Skaneateles, weekdays between 8am – 4pm (except holidays). Use one form per application.
