

WATER MAIN REPLACEMENT PROJECT

Update: March 20, 2019

- **Tree work is happening village wide!**
 - In order to prevent damaging the roots of the tree, we are cutting down the trees that will be impacted. They will be replaced where appropriate. The Village Tree Committee is working with the Village Water Department for this project.
- **For the week of 3/18:**
 - State Street waterline installation will begin from the YMCA down south to the State Street School. Please use caution!
 - Boring will begin at Chestnut Circle across State Route 20 (East Genesee Street)
- **For the week of 3/25:**
 - Fuller Street (between West Elizabeth Street and West Genesee Street) will be closed for main line installation. Please find an alternative route when traveling!
- **If you need to contact us:**
