Authority.

This Local Law is enacted pursuant to the authority of the Municipal Home Rule Law, Section 10.

Text of Proposed Local Law.

I. Chapter 212 ("Vehicles and Traffic"), Section 212-37 ("All-Day Parking Area Restrictions"), sub-section "G" is hereby amended in its entirety to read as follows (changes highlighted):

"G. Parking Trust Fund.

- (1) Statement of Intent. In order to more equitably distribute the costs associated with providing public parking to meet existing uses as well as new development or redevelopment of downtown properties, the Village of Skaneateles hereby establishes a Parking Trust Fund. The Parking Trust Fund shall be dedicated to the uses established herein.
- (2) Establishment of Off-Street Parking Trust Fund. There is hereby established the Village of Skaneateles Off-Street Parking Trust Fund, (hereafter the "Parking Trust Fund" or "Fund") to be administered by the Board of Trustees exclusively for off-street parking purposes, including the acquisition of land for such purposes, by purchase or lease, and the construction of improvements incidental to such purposes. The Fund may also be used, in the discretion of the Trustees, for such additional purposes as are reasonably intended to ease the shortage of public parking in the downtown area, to include the purchase or lease of remote lots and supporting improvements and the purchase, lease and/or operation of shuttle buses or other equipment reasonably related to that purpose. Expenditures from the Fund need not be

confined to the immediate downtown area so long as such expenditures are likely to have a beneficial effect on public parking in the downtown area. The Fund may not be used for purposes that are not reasonably related to the establishment of public parking in the downtown area and may not be used for ~~ordinary maintenance of parking facilities, enforcement activity or other municipal operations,~~ but may be used for ordinary maintenance of parking facilities, striping of parking spaces, lighting, and the purchase and maintenance of new or replacement pay stations for the Central Municipal Lot or other public parking areas of the village.

- (3) Effective upon the adoption of this Local Law, the Village shall no longer apply the gross receipts of parking pay stations and parking passes, derived in the Central Municipal Lot, and Fennell Street Lot to the Parking Trust Fund. Such revenues shall hereafter be deposited to the General Fund of the Village. Funds on deposit in the Parking Trust Fund as of the effective date of this Local Law shall be retained and used hereafter for the purposes authorized herein. The Village shall also be authorized to receive contributions from other parties, either of funds or in-kind contributions of land. Additionally, the Village may, from time to time, in the discretion of the Board of Trustees, allocate funds to the Parking Trust Fund, which Fund shall be administered in accordance with the provisions of this article.”
