

**Village of Skaneateles  
Cemetery Board of Lakeview Cemetery  
Regular Meeting – December 16, 2014**

**Present:** Robert Gray, President  
Patricia Blackler, Commissioner  
Gary Trenti, Commissioner  
Jorge Batlle, Cemetery Administrator

President Gray called the meeting to order at 9:00 am.

**Upkeep** – The Board resolved the issue regarding damage to two Pitman gravestones in Section 5, Lot 90. The Board determined that this is a Village responsibility and that we will repair the problem in the spring. Comm. Blackler will inform the family.

**Shepperd Issue** – Norman Shepperd and his wife desire to be buried after cremation in the northern-most plot of lot 308 in Section 10. Official records showed that Mr. Shepperd's mother is already buried there. The Shepperd lots are near Burrows Chapel – Section 10, lots 308 and 309. The Board determined that under old rules, 3 cremations were permitted in a single plot, and therefore authorized the burial. Mr. Batlle will take photos of Mr. Shepperd's two lots showing the current placement of stones and forward them to Mr. Shepperd. Mr. Shepperd wishes to erect a headstone on Lot 308 on the northern side for himself and his wife.

**Additional Board Member** – Curt Coville has submitted an expression of interest and there may be someone from St. James Church. The Board will want to meet with the candidates.

**Other Business** – Pres. Gray will speak with Mayor Hubbard about the possible opening of Section 11B for grave sales.
