

Lake View Cemetery  
Skaneateles, NY

As the Chairman of Lakeview Cemetery Board, I would like to set these guidelines effected today April 2, 2020 because of the COVID-19.

- **The size of any services or gatherings is limited to as few participants as possible.**
- **Immediate family members (not to exceed 10) may attend a short graveside service not to exceed 20 minutes.**
- **Out-of-town participants are discouraged.**
- **No chairs will be present.**
- **Maximum social distancing among in-person attendees (minimum 6-feet) must be observed.**
- **The cemetery crew does not need to be present during the service or they can simply stand away from the family off to the side.**
- **It will be left up to the funeral home staff to get the casket safely to the grave.**
- **When a funeral home calls the office to schedule a service or a burial, they will be provided with these guidelines.**

Thank – You,

*Robert D. Gray III*

Chairman
