**REGULAR MEETING, CEMETERY BOARD  
THURSDAY, SEPTEMBER 17, 2009  
9:00 A.M.**

**PRESENT:** President Gray, Commissioners Blackler and Wellman, DPW Foreman Perkins

**MINUTES**

On the motion of Comm. Wellman, seconded by Comm. Blackler, it was resolved and unanimously carried (3-0 in favor) to approve the minutes of the meeting of August 20, 2009 as presented.

**LOT ADORNMENTS**

Pres. Gray said he checked at the cemetery and there are indeed several signs stating no plastic, including the original sign as well as newer ones. He confirmed with Deputy Clerk/Treasurer Couch that an ad will be placed in the local newspapers reminding everyone to remove all urns and other containers by October 15<sup>th</sup>. Pres. Gray noted that some plastic (i.e. artificial wreaths) is typically allowed in the winter. However, when people start bringing adornments to the cemetery in the spring, hopefully the laborers will take note and advise them that plastic is not allowed. Pres. Gray added that it will also be important to make sure that solar lights and Sheppard hooks are placed tight to the stone to facilitate maintenance. Commissioner Blackler suggested putting something in the local newspapers in the spring advising of the cemetery rules.

**LABORERS**

Pres. Gray stated that DPW Laborers Kevin Young and Dave Bean have done a good job in the cemetery this year, especially considering the limited amount of help that has been available.

**LAKE VIEW CEMETERY FEES SCHEDULE**

Pres. Gray stated that the fee schedule looks good, seems easier to read and understand, and the section regarding foundations has been "straightened out".

**SIGNAGE**

Commissioner Blackler reported that the road signs should be in next week; Pres. Gray said the section signs are working out great.
