

REGULAR MEETING OF THE CEMETERY BOARD
OF LAKEVIEW CEMETERY
APRIL 19, 2012 @9:00 AM

PRESENT: Chairman Gray, Commissioner Blackler. Commissioner Trenti, DMO Lotkowitz , Seasonal Laborer McManus

Absent: Audrey Clark, Deputy Clerk

Chrm. Gray opened the meeting. Comm. Blackler asked Mr. Lotkowitz what he expected from us as a commission and we in turn discussed his intentions toward us. Mr. Lotkowitz wants to learn as much as he can about Lakeview with our help and by receiving all the latest maps, rates and input from us. He intends to attend the meetings on the third Thursday of the month if it is possible on that day. He will be our "go to guy" when needed. Also the commission will be ready to answer questions for him that will come up.

Burrows Chapel: The Chapel has been cleaned and the water turned on.

INVESTMENTS: At this point there has been no progress in our investigation of new ways to change the Cemetery investments.

BUDGET

There was discussion regarding the Village of Skaneateles' Budget for 2012-2013 and how it affected the Cemetery.

Chr. Gray wanted a letter of gratitude to be sent to the trustees concerning Bill Perkins; for the years of help he has always given to Lakeview Cemetery, the Commission and the Laborers. He will be greatly missed. Comm. Blackler will send the letter.
