

REGULAR MEETING, CEMETERY BOARD
THURSDAY, NOVEMBER 20, 2008
9:00 A.M.

PRESENT: President Gray and Commissioner Blackler.

SIGNAGE: DPW has completed the installation of the Section signs. Commissioner Blackler suggested that we could install more Section signs next year to make graves even easier to find.

CHAPEL ROOF: Repairs of the Chapel's masonry, by William Harper, is almost complete, although the work has been cut short because of the snow. Commissioner Blackler said that Municipal Board Commissioner David Blackwell stated that the repairs should take about 10 days. She also said that the cost of the repairs would be closer to \$2000, rather than the \$3000 originally stated. Commissioner Blackler suggested that the DPW could scrape the walls down to see if the repairs have helped.

HEDGES: Received a quote from Lobello Landscape & Design, (see attached) for 92 yews to be planted in Section 11B, Commissioner Blackler said that she will contact Jim McManus with questions regarding this purchase. Money for this project and a new roof will be discussed for next year's budget.

BONNIVIER GRAVES: President Gray said that there is room on Lot #295 for one more grave. Account Clerk Shappell will type a correction change, from 6 graves on Lot #294 to 6 graves on Lot #295.

QUAKER CEMETERY: Joe Spalding contacted President Gray with a concern about the Quaker Cemetery on Benson Road. Mr. Spalding was searching for some monuments, and located several on the outskirts of the cemetery, covered with brush. Mr. Spalding wanted to clear out the brush. President Gray consented with the project. The brush was hauled away by the DPW crew. Mr. Spalding was very pleased with the results. President Gray suggested that more brush could be removed this coming spring to see if there are any other old monuments.
