Skaneateles Central Municipal Long-Term Parking Lot 2020 PARKING PASS APPLICATION

A parking pass entitles the user to a parking space on an as-available basis in the “long-term” section of the Village’s Central Municipal Parking Lot. The “long-term” section of the central lot is the north end of the lot. The pass is not valid for on-street metered parking or in the “short-term” portion of the Municipal Lot. Parking passes are not vehicle specific and may be shared among users, one at a time. Parking spaces are not refundable. A user may leave the “long-term” area of the Central Municipal Parking Lot and return, but we can’t guarantee that a parking space will still be available. The Village will limit the total number of monthly passes issued to 100. Notify the Village Office if your parking pass is lost and we will re-issue one (\$10 fee) and invalidate the original pass number.

Mail or bring your completed application to the Village Office, 26 Fennell Street, Skaneateles, weekdays between 8 a.m. and 4 p.m. (except holidays). Use one form per application.
