Re: Monthly Utility Bills

Dear Residents:

The Village of Skaneateles strives to provide our utility bills consistently and accurately each month.

A network connectivity issue with our metering systems has caused a delay in the processing of the April bills.

To ensure the accuracy of each customer's bill, the Village will be sending utility billing later than usual. Please know that all avenues have been used to correct this matter.

Due dates and penalties will be reflective of the standard 15 days from the date of billing.

We appreciate your patience. Should you have additional questions, please contact the Village Office at 315-685-3440.

Thank you,

Village of Skaneateles  
Billing Department
