The Village and Town of Skaneateles, in partnership, have launched a new app to communicate information to residents during an emergency. The new app, called MyLocalSafety, is free and all members of the community are encouraged to download the app.

The MyLocalSafety app is available for download for free from both the Apple App Store for Apple devices and the Google Play Store for Android devices. More information and links to download the app can be found at www.MyLocalSafety.com. After downloading the app, enter code number 787837 to add Skaneateles to your MyLocalSafety app.

To begin, use this flyer to find the app in the Apple App store or your Google Play store.
