Subject: Upcoming Halloween trick or treat/ Leitch Academy.

To the Mayor and Village officials,

I'm writing to raise concern and to request extra safety precautions for Leitch / Academy on Halloween Night. Over the years our streets have become a destination location for trick or treaters from surrounding areas, who are using school parking lots, Austin parking lots and street parking. Due to the recent crimes that have taken place on these two streets and throughout our village, I am requesting that there be extra patrol and if possible police enforcement at access points. In addition, I would like to suggest that the Village/ Town officials together with the Skaneateles Community strongly consider having Trick or treat night on the Saturday closest to the 31st of October. Many neighborhoods and villages choose to do this for safety reasons, to keep it more of a community event and of course so that it is on a weekend night instead of a weekday night. I know many residents that would support this. I appreciate your time and support. Your efforts in keeping our community safe are greatly appreciated. Thank you for all you do.
