**RE: October 2023 Monthly Report**

We treated 14.38 Million Gallons of wastewater this month.

The average flow per day was 0.46 MGD

Total rainfall for the month was 3.14 inches

We hauled 51,000 gallons of sludge to the Auburn wastewater treatment plant.

- We did all the monthly maintenance on all of the equipment.
- We passed all of the monthly tests.
- I successfully filled out and submitted the monthly DMR to the DEC.
- We have been power washing and doing some much needed housekeeping inside of the plant.
