Good Morning,

I wanted to pass along an email from a new resident to the Village.

This is quite a generous offer. The restrooms could certainly use the upgrade. I'm happy to work with him on scope, materials, etc.

Look forward to thoughts and feedback.

Thank you.

Tom,

Hope all is well. I wanted to inquire about a proposed donation on behalf of my wife & myself associated with the Public restrooms under the Pavilion at Clift Park. I'm proposing new plumbing fixtures, tile upgrades, partitions, & bathroom accessories. (of course Italian marble throughout) just kidding, that will defiantly get denied. The current conditions are not a representation of who we are in the community. If you feel this would require several layers of approvals & cause hardship with the Village, I will differ my offering. My only intent is to improve our public areas in the Village. Thank you for the time & consideration.

As always thank you,

Thomas J. Billone
