

From Tom:

I would like to request approval for Cosimo, Seth, and I to attend this event. This is an excellent opportunity for us to get Professional Development hours for our engineering licenses as well as stay up to date on new and exciting advances in Public Works! Any of you are welcome to attend as well! We'd love the company! I will likely need to spend the evening on Thursday as they typically have the Annual Awards Banquet Thursday night. Seth would earn credits could earn credits for his Collection System Operators certification. Cori, please confirm our APWA membership is current prior to registration. Total should be \$810 (pending confirmation of our membership). This would be paid from A1490.4 DMO Miscellaneous.
