

Dear Mayor Sennett,

The Skaneateles Area Chamber of Commerce Foundation and 2023 Dickens Committee would like to thank you for your generous donation of Green Room Space to Dickens Christmas in Skaneateles. Our business community has come together once again to enable us to put on a first-class holiday festival. Your participation is essential to making it all possible!

Enclosed please find your **sponsorship decal** for placement in your business's window. If you need additional copies or a digital copy, please let us know.

A Dickens calendar of events and all event details are available at Skaneateles.com and will also be available in our Official Dickens publication produced by Eagle News.
