Subject: Memorial Day Flyover
Attachments: REQUEST FOR MILITARY AERIAL SUPPORT 2.pdf

Mayor Sennett,

Good afternoon. I am assisting in the Memorial Day activities for the American Legion this year and are submitting with Headquarters Marine Corps to have a flyover and static display for the event. I need a signature from the community leadership to resubmit to continue the request process. Can I bring that by for your signature? Attached is a copy of the request, I will bring by the original for signature. The request for signature is Section I, line 4, Event Site Certification. The event has already been reviewed by the FAA and the Marine Corps, HQMC requested signature change to community leadership vice Legion Commander.

Please let me know if there are any questions.
