Subject: Village Trustees agenda

Hi Laurie,

Hope you had a nice weekend. I am the owner of Lucky Dogs Canine Services, LLC. Guy Donahoe is working with me in my efforts to open a dog grooming salon in the village. I know that he contacted you on Friday about this, and the process to be added to the Village Trustees meeting agenda. In case you also need to speak with me directly about this, please contact me via email or my personal cell phone . Let me know if there is any information or documentation that you need from me.

Thank you,
