Dear Laurie,

I am inquiring about putting a handicap parking spot in front of the Skaneateles Bakery; the first spot as you turn on to Jordan.

It isn't for myself but for others. There are no handicap spots on Jordan St. It would be very helpful for those going to the bakery, Clovers, Doug's and other businesses on Jordan.

Plus, in the summertime, there won't be a need for that huge flower pot. Hopeful that the board will agree.

Thank you for your time,
