Subject: NYCOM Winter Legislative Meeting - February 4-6, 2024

Register Now for NYCOM's Winter Legislative Meeting February 4-6 at the Marriott Albany

This important gathering of city and village officials from throughout New York coincides with state budget negotiations and affords NYCOM members the opportunity to highlight our funding and policy priorities. This meeting also allows local leaders like yourselves to share successful strategies for addressing the many challenges you face as you work to improve your communities and provide essential services to your residents.

Attendees will also have the chance to:

- Learn about the key provisions impacting municipalities in Governor Hochul's Executive Budget proposal.
- Attend workshops on topical issues, such as:
 - Artificial Intelligence for Local Governments
 - The Latest on Adult-Use Cannabis Sales in NYS
 - Navigating the Civil Service Minefield
 - Dealing with Protests, Social Media and First Amendment Audits
 - Best Practices for Hiring and Firing Employees
 - Green Energy Solutions for Cities and Villages
 - Addressing Homelessness, Mental Health and Addiction Issues in Your Communities

- Hear directly from statewide elected officials regarding local government priorities.
- Participate in the deliberations of NYCOM's four Policy Committees as they discuss the most urgent issues confronting cities and villages.

We also encourage you to meet with your state legislators while you are in town to ensure that your municipality has a voice in the state budget-making process.

We hope you can join us in Albany!
