Subject: Navy Band Performance request for Gazebo

Good Afternoon!

My name is Musician Second Class Michael Brehm, and I am with the Navy Band Northeast out of Newport, RI. We will be coming to Syracuse for "Navy Week Syracuse" from August 26th – September 2nd, and would love the opportunity to perform in the Gazebo there.

We will be bringing our Brass Band, a 9-piece high energy New Orleans Style group playing popular music including Pop, Jazz, and Funk styles, as well as our Woodwind Quintet, a group of 5 incredible musicians performing a wide range of music including both classical and popular music. It would be great if we could have them both play at some point if possible.

I am also wondering if we are in fact able to perform there, if we are able to use any kind of amplification or not, and if so, does the gazebo have electrical outlets for us to use?

I was instructed by the Village office to email you instead of using the form, I hope that is ok.

Thank you so much for your time and consideration and we look forward to hearing from you.

Very Respectfully,
MU2 Michael Brehm
