Who is EnergySmart CNY?

EnergySmart CNY is your local Regional Clean Energy Hub! We're a collaboration of the Central New York Regional Planning & Development Board (CNYRPDB),

Alliance for a Green Economy (AGREE), and Greater Syracuse Works (GSW). We evolved from the combination of Solarize, HeatSmart CNY, and other energy education programs.

Our hub serves all of the Central New York Region, which covers Cayuga, Cortland, Madison, Onondaga, and Oswego counties. Our goal is to help you connect to the growing clean energy economy! Be that through potential job and training opportunities, or energy efficiency improvement programs for your homes or businesses, including solar and heat pumps.
